It was only a matter of being willing to believe in a power greater than myself. Nothing more was required of me to make my beginning.

My name is Gossip.
 I have no respect for justice.
 I maim without killing.
 I break hearts and ruin lives.
 I am cunning and malicious and gather strength with age.

The more I am quoted the more I am believed.
 I flourish at every level of society.
 My victims are helpless.
 They cannot protect themselves against me because I have no name and no face.

To track me down is impossible.
 The harder you try, the more elusive I become.
 I am nobody's friend.
 Once I tarnish a reputation, it is never the same.
 I topple governments and ruin marriages.
 I ruin careers and cause sleepless nights, heartache and indigestion.
 I spawn suspicion and generate grief.

I make innocent people cry in their pillows.
 Even my name hisses.

I AM CALLED GOSSIP.
